Randy Bowman, Juvenile Justice Authority  
Sheila Wacker, Johnson County Sheriff's Office

The meeting began at 1:30 pm.

### **Prior meeting notes**

Meeting minutes for January were approved.

### **Updates from prior meeting**

There were no updates from the prior meeting.

**Introductions**

Sandra Moore, new Records Supervisor

Catie Walker, new Records Field Support Trainer

**RAPID Update**

Leslie Moore gave an update on the electronic disposition project. The project is running a little late. The electronic form on the KCJIS web portal and the new web portal should have been up and running on July 1<sup>st</sup>, but it will be the first week of August. We have also been working with several vendors on an interface between their court software and the KBI. We aren't sure how long that will take to go live, but the KBI is ready at any time.

**Statute File**

The KBI is ready to release a new statute file with the 2014 updates.

**Legislation**

KBI will try again this coming legislative session to put forth a bill to amend the certified record statute. The new KCJIS web portal is going to have a certified record for prosecutors to take to court. The desire is to have one certified record that contains both the criminal history record and the driving record. To do that the KCJIS web portal will have to be able to certify that the record come directly from the KBI and the Department of Revenue Division of Motor Vehicle Records.

**Chair and Vice-chair**

We briefly discussed nominations for 2015 chairperson and vice-chairperson. People will email Leslie with their nominations and we will vote at the next meeting. Captain Hoobler was nominated for chairperson, but he informed the group that he changed positions and he will no longer be attending the meetings. Captain Hoobler declined the nomination. Captain Hoobler introduced Justin Vest who would most likely be attending the working group from now on.

**Missouri Law**

Major Eickhoff would like the group to look at Missouri's House Bill 1665 concerning photos and booking records. The bill will be provided at the next meeting. The Missouri law makes it a misdemeanor to charge a fee to remove photos and booking records from the internet.

The next meeting will be October 16th at 1:30pm at KBI Headquarters in the Conference Room.

If you have any ideas for agenda items for the next meeting please email James Eickhoff at [JEickhoff@wycosheriff.org](mailto:JEickhoff@wycosheriff.org) or Leslie Moore at [leslie.moore@kbi.state.ks.us](mailto:leslie.moore@kbi.state.ks.us).

The meeting ended at 1:55pm.
